

**ENVIRONMENTAL ASSESSMENT ACT SECTION 7.1  
NOTICE OF COMPLETION OF MINISTRY REVIEW**

**AN INVITATION TO COMMENT ON THE ENVIRONMENTAL ASSESSMENT  
FOR THE PROPOSED  
Terrapure Stoney Creek Regional Facility Expansion**

An environmental assessment (EA) has been submitted to the Ministry of the Environment, Conservation and Parks by Terrapure Environmental for the undertaking, Stoney Creek Regional Facility Expansion, in the City of Hamilton. The Ministry of the Environment, Conservation and Parks has prepared a Ministry Review (Review) of the EA for public and agency comment. The Review of the EA does not make a decision about the EA. That decision is made by the Minister of the Environment, Conservation and Parks after the comment period is over and consideration of all submissions.

**You can submit comments on the undertaking, the environmental assessment, and the ministry Review. You may also request a hearing by the Environmental Review Tribunal. If you request a hearing you must state in your submission, whether you are requesting a hearing on the whole application or on only specified matters related to the application.**
